

Enrollment Headcounts for Los Angeles 5z Alumni Students

How to read these tables:

These tables show the Enrollment Headcounts for students who enrolled in the 5z Alumni programs on the AMDA Los Angeles Campus.

5z Alumni programs offer AMDA Certificate and AOS graduates the option to continue their studies towards a BFA degree. 5z Alumni students enter as 5th semester students in any of the BFA programs including: Bachelor of Fine Arts in Acting, Bachelor of Fine Arts in Dance Theatre, Bachelor of Fine Arts in Music Theatre, and Bachelor of Fine Arts in Performing Arts.

Students are grouped by enrollment cohort, by self-identified gender, and by self-identified race/ethnicity. Students are not grouped by prior education as all 5z Alumni have prior education.

An enrollment cohort groups all students who started their enrollment in a given term or a given year.

- For example, 26 students started a Los Angeles 5z Alumni program during the Spring 2013 term; 42 students started a 5z Alumni program in 2013.

These tables include only students who pursued a single enrollment at AMDA. Students who changed their campus or program during their academic careers are represented in different tables.
