

#### Time to Degree Rates for 5z Alumni Students

#### How to read these tables:

These tables show "Time to Degree" data for students who enrolled in the 5z Alumni programs on the AMDA Los Angeles Campus.

5z Alumni programs offer AMDA Certificate and AOS graduates the option to continue their studies towards a BFA degree. 5z Alumni students enter as 5<sup>th</sup> semester students in any of the BFA programs including: Bachelor of Fine Arts in Acting, Bachelor of Fine Arts in Dance Theatre, Bachelor of Fine Arts in Music Theatre, and Bachelor of Fine Arts in Performing Arts.

AMDA's Time to Degree data measures the amount of time that elapsed between a student's first day of class and their graduation date.

The charts below display the data according to annual cohorts, for example students who enrolled in 2013. In every annual cohort, there are 3 potential start dates- Spring Term, Summer Term, or Fall Term. These calculations report on students who graduated within one, two, or three years from their starting term..

• Example: A student who enrolled in Spring of 2013 and graduated within two (2) years has a graduation date prior to the start of the Spring 2015 semester.

The tables below show two views on this data.

- All Enrolled Students: These tables show what percentage of all enrolled students from an annual cohort graduated within one, two, or three years from their start date
  - Gray cells indicate that a full one, two, or three years had not yet elapsed for all students in that cohort when this data was compiled.
- **Graduates:** These tables show what percentage of students who graduated, did so within 1, 2, or 3 years from their start date.
  - Gray cells indicate that there are still active students in that cohort. Time to Degree for graduates can only be calculated once all enrolled students in that cohort have graduated, withdrawn, or been dismissed.

Students are grouped by enrollment cohort, by self-identified gender, and by self-identified race/ethnicity. Students are not grouped by prior education as all 5z Alumni have prior education.
