

Time to Degree Rates for NY Conservatory Students

How to read these tables:

These tables show “Time to Degree” data for students who enrolled in the Conservatory Certificate programs on the AMDA New York Campus.

- New York Conservatory programs include Conservatory Certificate: Studio, Conservatory Certificate: Dance Theatre, Conservatory Certificate: Integrated.

AMDA’s Time to Degree data measures the amount of time that elapsed between a student’s first day of class and their graduation date.

The charts below display the data according to enrollment cohorts, for example students who enrolled in 2013. In every annual cohort, there are 3 potential start dates- Spring Term, Summer Term, or Fall Term. These calculations report on students who graduated within one, two, or three years from their starting term.

- Example: A student who enrolled in Spring of 2013 and graduated within two (2) years has a graduation date prior to the start of the Spring 2015 semester.

The tables below show two views on this data.

- **All Enrolled Students:** These tables show what percentage of all enrolled students from an enrollment cohort graduated within one, two, or three years from their start date
 - Gray cells indicate that a full one, two, or three years had not yet elapsed for all students in that cohort when this data was compiled.
- **Graduates:** These tables show what percentage of students who graduated, did so within one, two, or three years from their start date.
 - Gray cells indicate that there are still active students in that cohort. Time to Degree for graduates can only be calculated once all enrolled students in that cohort have graduated, withdrawn, or been dismissed.

Students are grouped by enrollment cohort, by prior education, by self-identified gender, and by self-identified race/ethnicity.

- **Prior Education:**
 - **1st Enrollment:** These are students whose education experience just prior to enrollment may include: High School Diploma, Home School Diploma, Foreign High School, GED.
 - **Transfer:** These are students whose education experience just prior to enrollment may include: Some college, Foreign college, Associates degree, Bachelor’s degree, Master’s degree, Post-secondary degree.
