CREDIT BALANCE OPTION

Your Direct PLUS Loan will first be applied to the student's school account to pay for tuition and fees, room and board, and, if you provide authorization, other educationally related charges. Any loan amount that remains after these charges have been paid is called a credit balance. You may choose to have the school pay the credit balance directly to you or to the student.

If there is a credit balance after your Direct PLUS Loan has been applied to the student's school account, to whom do you want the school to pay the credit balance?
