

I-20 TRAVEL ENDORSEMENT & UNOFFICIAL TRANSCRIPT REQUEST FORM

The Form I-20 can only be endorsed for re-entry to the U.S. if you intend and are eligible to continue your studies at AMDA, or are pursuing Post-Completion of studies OPT (Optional Practical Training). It cannot be endorsed if you have completed your program, but have not yet applied for OPT. The Department of Homeland Security recommends traveling with a copy of your transcript to show full time status or completion of your program if on OPT. Return this form to an International Student Advisor or reception, located on the third floor. Upon receipt of this completed form, an ISA will generate an unofficial student copy of your transcript - at no charge - and contact you when it is ready. Please bring your I-20 when picking up your transcript and you will receive the travel endorsement signature at that time. If there are any questions, please do not hesitate to contact an International Student Advisor.
