## 2020-21 Dependent Verification Worksheet-V1

Your 2020-2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. To verify that you provided correct information, we will compare your FAFSA with the information on this verification form and any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA must complete, sign, and submit this verification form and required documents to AMDA's Financial Aid Office. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
