## 2021-22 Independent Verification Worksheet - V4

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. To verify that you provided correct information, we will compare your FAFSA with the information on this verification form and any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete, sign, and submit this verification form and required documents to AMDA's Financial Aid Office. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

- A state certificate or transcript received by a student after the student passed a State-authorized examination (GED test, HiSET, TASC, or other State-authorized examination) that the State recognizes as the equivalent of a high school diploma.
- For students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- For a homeschooled student in a state where state law requires the student to obtain a secondary school completion credential for home school (other than a high school diploma or its recognized equivalent), a copy of that credential.
- For a homeschooled student in a state where state law does not require the student to obtain a secondary school completion credential for home school (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a home school setting.
